Update Certificate Record Back to Certificate List

In above screen system has tried to standardize all the “**Certificate Nos.**” given by DGMS, for this system is asking for 3 values in “Certificate No.” heading as below:

1. **Certificate Type Code**, 2. **Issuing DGMS Office Code** and 3. **Sr. No. of Certificate**.

In the Issuing DGMS Office Code, you will see one code as “**HQ(OLD)**”, this code should be used for those **certificates which was issued earlier having only Sr. No. of Certificate**.

After click on “**Update Certificate Record**” button, System will update all the informaion and show a new button “**Print Certificate Record**” for printing the updated information of DGMS Blaster.
