

Help-Operational Guidelines for license in form P3(Sale/Use), (for return form R9).

Note:-

- All Quantity Should be in **Kg.**
- *Mark Field is Mandatory.
- Profile is one login password. In case you have more than one license under AN Rule Please do not create separate login password for each license. Register with one Doc No and Add all Doc No's in your Profile. If State is different create another profile. (Registration is State Wise). This will help you to manage all your licenses with the same login password.
- Please refer the compatibility-view manual if you are not able to login.
- For any problem in using AN return system please mail your problem to **support.an@explosives.gov.in**
