

## **Help-Operational Guidelines for license in form P5 Import ( for return form R3 and form R4)**

### **Note:-**

- All Quantity Should be in **Kg**.
- \*Mark Field is Mandatory.
- Profile is one login password. In case you have more than one license under AN Rule Please do not create separate login password for each license. Register with one Doc No and Add all Doc No's in your Profile. If State is different create another profile. (Registration is State Wise). This will help you to manage all your licenses with the same login password.
- Please refer the compatibility-view manual if you are not able to login.
- For any problem in using AN return system please mail your problem to [support.an@explosives.gov.in](mailto:support.an@explosives.gov.in)
- **For P5 Import license registration has to be done with the P1/P3 license please note.**

The screenshot displays the PESO Online Ammonium Nitrate - Return system interface. At the top, there is a header bar with the PESO logo on the left and the text "PESO Online Ammonium Nitrate - Return system" in the center. Below the header, a navigation bar contains links for "User Profile", "Home", and "SignOut". A "Help Desk" link is also present. The main content area shows a welcome message for "M/s.Tirupati Corporation" and a list of menu items: "Indent R-10", "Pass For Sale R-11 (b)", "Accept Online", "P1 (Manufacture/Conversion)", "P2 (Stevedore)", "P3 (Sale/Use)", and "P5 (Import)". The "Change Password" form is the active section, featuring three tabs: "Update User Profile", "Registered DocNo Details", and "Add Doc Key No". The "Change Password" tab is selected, showing three input fields: "Old Password", "New Password", and "Confirm New Password". Each field has a red asterisk indicating it is compulsory. Below the fields, there is an "Update" button. A red arrow points from the "Change Password" text in the header to the "Change Password" tab. Another red arrow points from the "Change Password" text in the header to the "Update" button. A red asterisk and the text "\* INDICATES COMPULSORY FIELDS" are located to the right of the input fields.
